# Membership Benefits

## Community Welcome

Get a televised introduction of your business at City Hall during a meeting. If you have a physical location in Hawthorne, receive a ribbon-cutting ceremony with the City, media, and community to announce your presence to customers.

## Marketing Access

Membership increases business exposure through opportunities like attending city events, accessing contact information of other members, advertising on the Chamber website, and being featured in a highlight reel.

## Networking

Connect with members of the government and business community through formal and informal networking events

## Access to Member-Only Discounts

Unlock exclusive member deals for personal and business needs, enjoy discounts, and promote your offerings to fellow Chamber members to foster connections and drive sales.

## Education

Gain insights into City processes that affect your business. Attend free professional development sessions, network with other business owners, and discover available resources for you and your employees.

## Community Involvement

Stay updated on new local businesses, join ribbon-cutting events, communicate directly with the City for regulatory needs, and engage in activities that benefit the community.
