

HAWTHORNE PARKS & RECREATION FOUNDATION

Founded in 1984, the purpose of the Hawthorne Parks and Recreation Foundation is to cultivate a wider public interest in recreation and park facilities and to encourage appreciation of the public open spaces within the City of Hawthorne. Since inception, the Foundation has donated an excess of \$750,000 to the Hawthorne community in support of these goals.

Proceeds from the 2026 will be used to purchase a new digital marquee, and continue founding of Summer Swim Lessons Scholarships for identified children within the community.
